Correction: Identification of the audiological and temporal bone radiology manifestations of SOFT syndrome: a case report

Sema Satici^{1,2*}, Ahsen Kartal^{1,2}, Elif Dilara Topcuoglu³ and Zahra Polat¹

**Correction: The Egyptian Journal of Otolaryngology
39:58 (2023)**

<https://doi.org/10.1186/s43163-023-00427-x>

Following the publication of the original article [1], the authors identified errors in the Audiological assessment heading. The symbol X has been replaced with University of Health Sciences Umraniye Training and Research Hospital.

The original article [1] has been corrected.
